GE Capital Solutions' Commercial Distribution Finance Provides Multi-Million Dollar Credit Facility to Single Path Technologies

HOFFMAN ESTATES, ILL, October 19, 2007 – GE Capital Solutions, Commercial Distribution Finance (CDF), increased a multi-million dollar credit line of Single Path for purchases of unified communications equipment from suppliers such as Cisco Systems.

Single Path, LLC is a provider of network system design, engineering, installation and support for advanced technologies such as VoIP (Voice over Internet Protocol.) Single Path earned Cisco's Central Region "Partner of the Year" for the second consecutive year and was awarded "Fast Growth Convergence Specialist" by CMP Media's CRN publication.

"Our extraordinary growth requires the flexibility and support of an extraordinary finance provider. GE Capital Solutions is that provider," said Rob Koch, Managing Partner of Single Path. "GE finance solutions make inventory procurement easy so that we can focus on delivering value for our customers."

GE Capital Solutions provides financing that includes accounts receivable working capital loans, purchase order financing, inventory financing and other programs for various industries, including technology and telecommunications.

"We're excited to serve the financing needs of an outstanding organization like Single Path," said Tom Grathwohl, managing director of CDF's Technology unit. "With finance programs for companies of all sizes, we are positioned to support the growth of our customers."
