**Trillion Communications Corporation Establishes \$24 Million Credit Facility
with GE Commercial Finance Unit**

*Funds use includes rebuilding communication network
impacted by Hurricanes Katrina, Rita*

HOFFMAN ESTATES, IL, Jan. 24, 2006 – Commercial Distribution Finance, a unit of GE Commercial Finance, recently established a \$24 million credit facility for Trillion Communications Corporation, a provider of high-end switching equipment into the telecommunications industry. Trillion Communications Corporation will utilize the facility in part to finance rebuilding the communications networks impacted by Hurricanes Katrina and Rita.

“The expanded credit facility from GE provides us with a working capital solution that will allow us to rebuild critical communication infrastructure in the Southeast,” said Ralph Brown, CEO of Trillion Communications Corporation. “Our relationship with GE’s Commercial Distribution Finance unit is an important factor in our ability to meet emergency needs and supporting our continuing growth.”

Commercial Distribution Finance (CDF) provides accounts receivable working capital loans, purchase order financing, inventory financing and other programs for various industries, including technology and telecommunications.
